## Schemes Launched in Last 1 Year

### 1. "One Scientist, One Product" Scheme by ICAR:

- **Launch Date:** July 16, 2024
- **Launched By:** Indian Council of Agricultural Research (ICAR)
- **Target:** 5,521 ICAR scientists, each to develop one product, technology, model, or concept
- **Duration:** 5 years
- **Goal:** Foster agricultural innovation and address challenges in Indian agriculture
- **Additional Milestones:** Release of 323 new crop varieties, including climate-resilient and bio-fortified options

### 2. Digital Agriculture Mission:

Launched on 2nd September 2024, aims to integrate technology into agriculture to improve productivity and decision-making. Key objectives include:

- **Creating digital identities** for 11 crore farmers in 3 years.
- **Digital Crop Survey** in 400 districts by 2024, nationwide by 2026.

The scheme has two main pillars:

1. **AgriStack:** Establishes a **Farmer Registry, Village Maps, and Crop Sown Registry**.
2. **Agriculture Decision Support System (ADSS):** Integrates **remote sensing data** (crop, soil, weather, groundwater) for informed decisions.

With a **budget of Rs 2817 crore**, it seeks to empower farmers, reduce costs, optimize resources, and boost productivity through technology, data analytics, and market linkages.

### 3. Solar Power Scheme for PVTGs (PM JANMAN):

- **Launched:** January 2024
- **Ministry:** Ministry of New and Renewable Energy
- **Implementing Agency:** DISCOMs
- **Coverage:** 18 States and UTs
- **Objective:** Provide solar energy to PVTGs for improved access and living conditions

**Components:**

1. **Off-Grid Solar:** 1 lakh households, up to 0.3 kW
2. **Solar Mini Grids:** ₹50,000 for individual lighting
3. **Solarization of Centers & Street Lights:** 1,500 centers, ₹1 Lakh each

**Benefits:**

- Empowerment and improved quality of life

### 4. Pradhan Mantri Surya Ghar - Muft Bijli Yojana:

#### 1. Launch & Approval:

- Launch Date: 15 February 2024
- Approval Date: 29 February 2024

#### 2. Key Objectives:

- Provide 300 units/month of electricity to 1 crore consumers

#### 3. Financials:

- Total Budget: ₹75,000 crores

- Grant for Model Solar Village: ₹1 crore per village
- 4. Subsidy Structure for Solar Plant Installation:**
  - 3+ kW (for 300+ units/month): ₹78,000 subsidy
  - 2-3 kW (for 150-300 units/month): ₹60,000 - ₹78,000 subsidy
  - 1-2 kW (for 0-150 units/month): ₹30,000 - ₹60,000 subsidy
- 5. Special Focus:**
  - Model Solar Village: One village per district
  - Population Requirement: 5,000 people per village (2,000 in special states)
- 6. Subsidy on Solar Plant:** Up to 40% depending on plant size and consumption.

## 5. PM-SURAJ Portal:

### Empowering Marginalized Communities with Business Loans and Support

- **Launched:** March 13, 2024
- **Beneficiaries:** SC, ST, OBC, Safai Karamcharis
- **Loan Provision:** Up to ₹15 lakh for business development
- **Additional Support:**
  - Ayushman Health Cards for Safai Karamcharis
  - PPE kits for Safai Karamcharis
- **Objective:** Promote economic empowerment and self-reliance
- **Application:** Online registration and document submission

## 6. UNNATI Scheme:

- **Objective:** Industrial development & employment generation in North Eastern States
- **Launched:** March 2024
- **Scheme Name:** UNNATI (Uttar Poorva Transformative Industrialization Scheme)
- **Type:** Central Sector Scheme
- **Implementation:** Department for Promotion of Industry and Internal Trade (DPIIT)
- Financial Support**
  - ✓ **60%** for North Eastern States
  - ✓ **40%** on **First-In-First-Out (FIFO)** basis
- Duration**
  - ✓ **Upto 10 years** (with up to 8 additional years for meeting committed liabilities)
- Focus Areas**
  - ✓ Industrial growth
  - ✓ Employment creation
  - ✓ Infrastructure development

## 7. Vigyan Dhara Scheme:

### Launch Date

- Approved on **August 24, 2024**, by the Union Cabinet.

### Objective

- To strengthen the **Science, Technology, and Innovation (STI)** ecosystem in India.
- Consolidate and streamline existing programs for better resource utilization and coordination.

### Implementation Period

- Covers the 15th Finance Commission period: **2021-22 to 2025-26**.

**Budget Allocation**

- Total outlay: **₹10,579.84 crore**.

**Special Focus Areas**

- Women in STEM:** Encouraging female participation in Science, Technology, Engineering, and Mathematics.
- Sustainable Development:** Addressing challenges in renewable energy, climate change, and environmental conservation.
- Alignment with Anusandhan National Research Foundation (ANRF):** Ensures research initiatives meet global standards while addressing India-specific needs.

**Goals**

- Align programs with **Viksit Bharat 2047** vision.
- Establish India as a global leader in innovation and technology development.

**8. SPICED Scheme:****Full Form**

- Sustainability in Spice Sector through Progressive, Innovative, and Collaborative Interventions for Export Development.**

**Launch Date**

- Launched in **2024** by the **Spices Board of India** under the Ministry of Commerce and Industry.

**Objective**

- Enhance India's spice exports and promote value-added products.
- Improve productivity and post-harvest quality of spices.
- Focus on sustainability and international standards compliance.

**Implementation Period**

- 2023-24 to 2025-26**, aligned with the 15th Finance Commission cycle.

**Budget Allocation**

- Total allocation of **₹422.30 crore**.

**Key Components**

- Mission Value Addition:** Focus on value-added spice products to enhance export competitiveness.
- Mission Clean and Safe Spices:** Improve post-harvest handling for producing clean, safe spices.
- Promotion of GI-tagged Spices:** Support marketing and recognition of Geographical Indication spices.
- Spice Incubation Centres:** Encourage spice-related startups with technical and infrastructural support.

**Implementation Strategy**

- Cluster-based approach under **One District One Product (ODOP)** and **Districts as Export Hubs (DEH)** initiatives.
- Use of geo-tagging for activities to ensure transparency and effective monitoring.
- Online application system for exporters holding a Certificate of Registration as Exporter of Spices (CRES)

**9. RESET Program:**

- Full Form:** Retired Sportsperson Empowerment Training.

- **Launch Date:** August 29, 2024 (National Sports Day).
- **Objective:**
  - To support retired athletes in transitioning to new careers.
  - Provide training, mentorship, and skill development for post-retirement opportunities.
- **Target Beneficiaries:** Retired sportspersons from various disciplines across India.
- **Key Features:**
  - Career counseling and educational courses.
  - Skill development workshops tailored for retired athletes.
  - Mentorship programs to guide professional transitions.
- **Implementation:** Government-led initiative with collaboration from sports federations and private partners.

#### 10. **Deen Dayal SPARSH Yojana:**

- **Full Form:** Scholarship for Promotion of Aptitude & Research in Stamps as a Hobby.
  - **Launch Date:** November 3, 2017 by the Department of Posts, Ministry of Communications.
  - **Objective:** To promote philately (stamp collection) as a hobby among school students.
  - **Eligibility:**
    - Students of **Classes VI to IX** from recognized schools.
    - Minimum **60% marks** (55% for SC/ST) in the last examination.
    - Participation in a **Philately Club** or holding a **Philately Deposit Account**.
  - **Implementation:**
    - Conducted by the **Department of Posts** in all postal circles.
    - Funds disbursed through **India Post Payment Bank (IPPB)** or **POSB accounts**.
- Ministry of Finance

#### 11. **Unified Pension Scheme (UPS) :**

Approved for Central Government employees, guarantees assured pension, family pension, and minimum pension benefits for 23 lakh employees. Key features include:

- **Assured Pension:** 50% of the average basic pay over the last 12 months, with proportionate benefits for less than 25 years of service.
- **Assured Family Pension:** 60% of the employee's pension to the family after death.
- **Assured Minimum Pension:** Rs. 10,000/month after 10 years of service.
- **Inflation Indexation:** Pension benefits adjusted for inflation.
- **Lump-Sum Payment:** 1/10th of monthly emoluments for every six months of service at superannuation.
- **Government Contribution:** Increased from 14% to 18.5%.
- **Effective:** 1st April 2025.
- **Optional for State Governments:-** The scheme aims to provide financial security and simplify pension management for central government employees.

#### 12. **Pradhan Mantri Janjatiya Unnat Gram Abhiyan (PM-JUGA):**

- **Goal:** - Development of tribal villages and aspirational districts.
- **Coverage:-** 63,000 villages, benefiting over 5 crore tribal people.
- **Budget:** - ₹79,156 crore (₹56,333 crore central + ₹22,823 crore state funding).

**Key Focus Areas:****1. Infrastructure Development:**

- Pucca houses, clean water, electricity, roads, mobile connectivity, and health/ education facilities.

**2. Economic Empowerment:**

- Skill training, marketing support, and agricultural assistance.

**3. Education:**

- Higher enrollment, tribal hostels, and scholarships.

**4. Health & Nutrition:**

- Improved healthcare access, mobile medical units, and immunization coverage.

**Implementation:**

- 25 interventions by 17 ministries over 5 years.
- Progress monitored via

**13. Model Skill Loan Scheme:**

1. **Loan Amount:** Up to ₹7.5 lakh
2. **Target:** 25,000 students annually
3. **Eligibility:** Indian citizens (18-45 years) with 10th grade or higher.
4. **Course Duration:** 3 to 5 years
5. **Interest Rates:** Subsidized for economically weaker sections

**14. Purvodaya:**

Purvodaya is an initiative aimed at driving economic and social development in the eastern Indian states of Bihar, West Bengal, Andhra Pradesh, Jharkhand, and Odisha. Its key objectives include:

- **Economic Growth:** Promoting industrialization, particularly in sectors like steel, power, and manufacturing, to boost the regional economy.
- **Infrastructure Development:** Enhancing connectivity through improved roads, ports, airports, and railways.
- **Investment and Industrial Hubs:** Attracting investments and creating industrial hubs to generate jobs and stimulate local economies.
- **Skill Development:** Focusing on training and employment opportunities to empower the local workforce.
- **Sustainability:** Encouraging green energy and sustainable industrial practices.
- **Social Welfare:** Improving healthcare, education, and social infrastructure for balanced growth.
- **Regional Cooperation:** Fostering collaboration among states for coordinated development.

**15. Higher Education Loan Scheme:**

Offers up to ₹10 lakh for students pursuing higher education, targeting 1 lakh students per year. It provides a 3% interest subvention, flexible repayment terms (up to 15-20 years), and is available for both domestic and international studies. Eligibility includes Indian nationals with admission to recognized institutions. Required documents include proof of admission, KYC, and income details. The scheme also offers grace periods and financial relief for unemployed graduates.

## 16. Prime Minister's Package:

The **Prime Minister's Package of 5 Schemes** is aimed at boosting employment and skill development across India with a target of creating 4.1 crore jobs and providing training to a significant number of youth. Here's the expanded detail of the package:

### 1. Employment Linked Incentive Scheme

This scheme includes various sub-schemes designed to incentivize both employees and employers.

#### ○ Scheme A:

- **Objective:** To support first-time employees by providing a salary subsidy.
- **Details:** A subsidy equal to one month's salary (up to Rs 15,000) is provided in three installments, which is directly transferred to the employee's **Employee Provident Fund (EPF)**.
- **Maximum Salary:** Rs 1 lakh per month.
- **Target:** 2.10 crore beneficiaries.
- **Duration:** 2 years.

#### ○ Scheme B:

- **Objective:** To promote job creation in the manufacturing sector.
- **Details:** Incentive equal to **EPFO** contribution is provided to both the employer and the first-time employee for the next four years.
- **Target:** 30 lakh beneficiaries.
- **Duration:** 2 years.

#### ○ Scheme C:

- **Objective:** To support employers in hiring new employees.
- **Details:** Employers will receive a monthly incentive of Rs 3,000 for appointing new employees for 2 years.
- **Maximum Salary:** Rs 1 lakh per month.
- **Target:** 50 lakh youth beneficiaries.

#### ○ Scheme D:

##### **Skill Program and ITI Development ( PM package of 4th scheme):**

- This scheme aims to enhance skill development across India, with a focus on the youth, through centrally sponsored programs.
- **Type:** Centrally Sponsored.
- **Target:** Skill training for 20 lakh youth over 5 years.
- **Development of ITIs (Industrial Training Institutes):** The scheme includes the development of **1000 ITIs**, focusing on modernizing the infrastructure and curriculum to match industry demands.
- **Duration:** 5 years.

#### ○ Scheme E:

##### **PM Internship scheme (5th package):**

- **Target -** Internship opportunity to 1 crore youth from top 500 companies.
- **Provision-** Rs. 5000 per month allowance  
Rs. 6000 one time assistance.  
10% of the cost will be borne by the company from CSR.
- **Age criteria-** 21 to 24 years only
- **Duration-** 5 years (first phase 2 years)

**17. Credit guarantee scheme:**

The **Credit Guarantee Scheme for MSMEs** offers government-backed collateral-free loans up to **Rs. 100 crore** to promote easy access to finance for Micro, Small, and Medium Enterprises.

- **Coverage:** Up to **85%** for micro/small and **75%** for medium enterprises.
- **Eligibility:** Open to registered MSMEs (new and existing).
- **Purpose:** Working capital, term loans, machinery, etc.
- **Benefits:** No collateral, reduced lender risk, and increased loan availability.

Available through participating banks and financial institutions.

## AGRICULTURAL, RENEWABLE ENERGY AND WATER RESOURCES SCHEMES

**1. Pradhan Mantri Fasal Bima Yojana (PMFBY):**

- **Announcement:** 13 Jan 2016
- **Launched:** 18 Feb 2016, Sehore (M.P.)
- **Ministry:** Agriculture and Farmers Welfare
- **Objective:** Insurance coverage and financial support to farmers against crop loss due to natural calamities, pests, and diseases.
- **Coverage:** Food crops, oilseeds, horticultural, and commercial crops.
- **Premium Rates (Farmer's Share):** Rabi – 1.5%, Kharif – 2%, Horticulture/ Commercial – 5%.
- **Funding Pattern:** Centre: State = 50:50 (NE States 90:10).
- **Key Features:** "One State, One Insurance Company." Remote sensing, GPS, drones for monitoring and faster claims. Voluntary for states since 2020.
- **Tagline:** *Meri Policy Mere Haath* (My Policy in My Hand).
- **Scale:** World's 3rd largest crop insurance scheme by premium volume.
- **Impact:** Over 36 crore farmer applications insured. Claims of ₹1.07 lakh crore disbursed (as of 2022).

**2. Pradhan Mantri Kisan Samman Nidhi Scheme (PM-KISAN):**

- **Launched:** 24th February 2019, from Gorakhpur.
- **Objective:** To provide financial support to farmers for meeting short-term needs and boosting income.
- **Benefits:** ₹6,000 annually in 3 installments of ₹2,000 each, directly transferred to bank accounts.
- **Eligibility:** All landholder farmer families. 11 crore farmers eligible across India.
- **Ineligible:** Public representatives, ministers, pensioners earning over ₹10,000/month, income taxpayers, and institutional landholders.
- **Verification:** 5% of beneficiaries verified annually.
- **Exclusions:** Those holding constitutional posts and income tax payers.
- **Scheme Type:** 100% Central government funding.
- **Enrollment in Rajasthan:** 67 lakh farmers.

This initiative aims to improve farmers' economic condition by providing direct financial assistance for agricultural expenses.

### 3. **Pradhan Mantri Kisan SAMPADA Yojana (PMKSY):**

- Launched in **2016** by the Ministry of Food Processing Industries, aims to enhance food processing, reduce post-harvest losses, and improve supply chains.
  - **Key Objectives:**
    - Increase agricultural value addition.
    - Promote agro-based industries.
    - Improve market access and employment.
    - Reduce post-harvest wastage.
  - **Key Components:**
    - **Mega Food Parks:** Infrastructure for processing.
    - **Cold Chain & Value Addition:** Reduce waste, enhance quality.
    - **Backward & Forward Linkages:** Connect farmers with processing.
    - **Agro Processing Clusters:** Localized units.
    - **Food Safety Infrastructure:** Ensure quality standards
    - **Skill Development:** Enhance workforce capabilities.
  - **Budget:**
    - Rs. 6000 crore (2016-2020), Rs. 4600 crore till 2026.
  - **Benefits:**
    - Boosts rural economy and farmer incomes.
    - Creates jobs, reduces food waste, and improves quality.
- PMKSY transforms India's food processing sector and uplifts farmers' livelihoods.

### 4. **Kisan Credit Card (KCC):**

Launched in **August 1998**, based on the **R.V. Gupta Committee** recommendations.

- Managed by **NABARD** and **RBI**.
- Aims to provide **low-interest loans** for agricultural needs and promote institutional lending.
- **Loan amount:** Up to **Rs. 3 lakh** at **7% interest** with **3% interest subvention** for timely repayment.
- **Validity:** The card is valid for **5 years**.
- Loans can be used for **agriculture, animal husbandry, and fisheries**.
- **Eligibility:** Farmers and those involved in allied activities like dairy, poultry, etc.
- **Key benefits:**
  1. Insurance coverage.
  2. Minimal documentation.
  3. Flexible credit limits.

### 5. **Pradhan Mantri Kisan Maandhan Yojana (PMKMY):**

PMKMY is a pension scheme launched on **12th September 2019** to provide economic security to small and marginal farmers.

- **Eligibility:** Farmers with land up to **2 hectares**, aged **18-40 years**.
- **Premium:** Rs. **55 to 200** per month, depending on age.

- **Pension:** Rs. 3000 per month after the age of 60.
- **Spouse Benefit:** In case of death, the spouse can continue receiving the pension.
- **Government Contribution:** The government matches the farmer's contribution.
- **Implementing Agency:** LIC (Life Insurance Corporation of India).
- **Objective:** To provide financial security and social welfare to farmers in their old age.
- **Enrollment:** Farmers can enroll through **Common Service Centers (CSCs)**.

#### 6. **The Soil Health Card Scheme (SHC):**

Launched on **19 February 2015** at Suratgarh, Rajasthan, aims to improve soil health and agricultural productivity. The scheme issues soil health cards to farmers every two years, advising them on appropriate fertilizer use based on soil nutrient status. It tests soil on 12 parameters, including NPK (Nitrogen, Phosphorus, Potassium) and micro-nutrients.

##### **Key features:**

- Over **24 crore** soil health cards issued.
- Promotes efficient fertilizer use.
- Helps address soil fertility issues.
- Rajasthan achieved **100% target**.

In **2023**, it was merged with **Rashtriya Krishi Vikas Yojana (RKVY)** as **Soil Health and Fertility** for better coordination. The scheme helps reduce fertilizer misuse, promotes sustainable agriculture, and supports long-term soil health.

#### 7. **Operation Green:**

- **Launch Year:** 2018
- **Department:** Department of Food Processing
- **Aim:** Stabilize prices of perishable crops, ensuring fair prices for farmers and consumers
- **Initial Focus (TOP):** Tomato, Onion, Potato
- **Expansion:** Includes 22 additional fruits and vegetables (TOP to Total approach)
- **Support Measures:** Subsidies for cold storage, transportation, and processing infrastructure
- **Market Intervention:** Government procures surplus crops to maintain price stability
- **Value Chain Development:** Improves production, processing, and marketing linkages for farmers
- **Outcome:** Reduces price volatility, waste, and ensures fair farmer income while preventing high consumer prices

#### 8. **Subsidy Scheme for KCC Cardholders:**

- **Objective:** Provide short-term loans to farmers in agriculture and allied sectors (animal husbandry, dairy, poultry, fisheries).
- **Loan Amount:** Up to ₹3 lakh.
- **Interest Rate:** 7%, with a 3% rebate for timely repayment (effective rate of 4%).
- **Repayment Period:** Up to 3 years.
- **Eligibility:** Farmers holding a valid KCC (Kisan Credit Card).
- **Impact:** Reduces financial strain, supports productivity, and boosts farm income.

## 9. National Agriculture Market (e-NAM) :

Launched on April 14, 2016, to create a unified electronic platform for agricultural trade across India. The scheme aims to provide farmers with better access to markets, fair prices, and reduce reliance on intermediaries.

### Key Features:

- **One Nation, One Market:** Facilitates interstate agricultural marketing with a single license.
- **Direct Payments:** Payments are made directly to farmers' bank accounts.
- **Real-Time Price Discovery:** Transparent pricing and quality assurance for agricultural products.
- **Removal of Intermediaries:** Reduces the role of middlemen in agricultural transactions.

### Achievements:

- Over **1.77 crore farmers** and **1389 markets** registered.
- Facilitates online trading, ensuring wider market reach for farmers.
- **Implemented by SFAC** (Small Farmers Agribusiness Consortium).

### Benefits:

- Enhances farmer income by providing better market access.
- Supports **agriculture exports** and **value-added agribusiness**.
- Expands market reach, connecting farmers with national and international buyers.

The initiative aims to revolutionize India's agricultural market by enhancing transparency, improving farmers' income, and creating a more competitive trading environment.

## 10. PM-KUSUM Scheme (Pradhan Mantri Kisan Urja Suraksha evam Utthaan Mahabhiyan):

Launched on 8th March 2019 by the Ministry of New and Renewable Energy with the objective of providing farmers with solar-powered irrigation pumps and promoting the use of barren land for solar energy generation.

### Key Features:

- **Component A:** Installation of 10,000 MW decentralized solar plants on barren land.
- **Component B:** Installation of 14 lakh solar-powered agriculture pumps.
- **Component C:** Solarization of 35 lakh grid-connected agricultural pumps.

### Benefits:

- Reduces dependency on grid power.
- Generates additional income from solar power sales.
- Promotes renewable energy and rural development.

### Subsidy Structure:

- Up to 60% subsidy (30% central, 30% state, 30% loan from banks).
- Farmers contribute 10% of the total cost.

### Eligibility:

- Farmers with agricultural land for solar pump installation.

### Timeline:

- Launch Date: 8th March 2019
- End Date: 31st March 2026

### 11. The PM PRANAM Scheme (Promotion of Alternate Nutrients for Agriculture Management):

was introduced in the **2023-24 Union Budget** to reduce the use of chemical fertilizers and promote sustainable alternatives. Managed by the **Ministry of Chemicals & Fertilizers**, the scheme aims to:

#### Key Objectives:

1. **Reduce Subsidy Burden:** Cut down on subsidies for chemical fertilizers and allocate 50% of savings to states as grants.
2. **Promote Organic Alternatives:** Encourage the use of organic fertilizers to improve soil health and reduce environmental impact.
3. **Support Sustainable Farming:** Enhance soil quality, reduce pollution, and boost long-term agricultural sustainability.

The scheme encourages environmentally friendly practices while financially supporting states to transition to alternative fertilizers.

### 12. The Agriculture Accelerator Fund (Budget 2023-24):

Aims to boost rural agriculture by:

1. **Funding Rural Startups:** Supports entrepreneurial ventures in farming.
2. **Promoting Tech Adoption:** Encourages AI, automation, and digital farming.
3. **Research & Training:** Enhances skills and agricultural research.
4. **Sustainability:** Focuses on green and eco-friendly practices.
5. **Infrastructure & Market Access:** Improves logistics and market linkages.

### 13. Agriculture Infrastructure Fund (AIF):

- Launched: 15 May 2020
- Finance: ₹ 1 lakh crore (2020–2029, extended to 2032)
- Ministry: Ministry of Agriculture and Farmers Welfare
- Implementing Agency: NABARD

#### Objectives:

- Improve post-harvest infrastructure.
- Create community agricultural assets.

#### Key Provisions:

- Loan: Up to ₹2 crore (Guaranteed by Government).
- Tenure: 7 years.

**Interest Subsidy:** 3% per annum.

#### Beneficiaries:

- Farmers, PACS, FPOs, agri-entrepreneurs, startups, SHGs.

#### Infrastructure Focus:

- Post-Harvest Management: Warehouses, pack houses, cold chains, primary processing centers.

#### Other Features:

- Agriculture Infrastructure Portal for transparency.
- MoUs with 11 banks for disbursement.
- **Goal:** Reduce post-harvest losses, enhance farmer incomes, and boost rural economy through modern infrastructure.

**14. Nano Fertilizers: Revolutionizing Agriculture:**

- Nano fertilizers, including innovations like Nano Urea (Urea Gold) and Nano DAP, were approved in 2021 and launched in 2023. They utilize nanotechnology to enhance nutrient absorption by plants, offering a more efficient and environmentally friendly alternative to traditional fertilizers.
- **Key Benefits:**
  - ✓ **Increased Efficiency:** Nano fertilizers improve nutrient uptake and reduce wastage.
  - ✓ **Reduced Environmental Impact:** Lower application rates minimize chemical runoff and soil degradation.
  - ✓ **Sustainability:** A more eco-friendly solution for modern agriculture.
- India's IFFCO pioneered the technology, starting the first Nano Urea plant in Kalol, Gujarat. These fertilizers offer a sustainable way to boost agricultural productivity while addressing the challenges posed by conventional fertilizers.

**15. Jal Jeevan Mission (JJM):**

Launched on **15th August 2019**, aims to provide **55 liters of safe drinking water per person per day** to every rural household through functional tap connections by **2024**. Managed by the **Ministry of Jal Shakti**, its goal is to ensure no household is left without access to water, with a focus on **water quality monitoring, greywater management, and sustainable water practices**.

**Key Details:**

- **Tagline:** "Har Ghar Jal"
- **Funding:** 50:50 (States) and 90:10 (Hilly areas)
- **Progress:** As of 2024, 78% of rural households (15.1 crore) will have access to tap water.
- **Notable States:** Goa, Gujarat, Punjab, Haryana, Himachal Pradesh, and more have achieved 100% tap water coverage.
- **Goa** became India's first "Har Ghar Jal" state.

**16. Atal Bhujal Yojana (ABY):**

- **Launched:** 25 December 2019
- **Implemented:** 1 April 2020
- **Ministry:** Ministry of Jal Shakti
- **Duration:** 2020-2024
- **Scheme Type:** Central Sector Scheme
- **Budget:** Rs. 6000 crores (Rs. 3000 crore loan from World Bank + Rs. 3000 crore from the Central Government)
  - **Objectives:**
    - ✓ Improve groundwater levels in distressed states through better management.
    - ✓ Promote water conservation and efficient usage.
  - **Coverage:**
    - ✓ Targeted States: Haryana, Gujarat, Karnataka, Madhya Pradesh, Maharashtra, Rajasthan, Uttar Pradesh.
    - ✓ Rajasthan: 22 blocks in 17 districts.
    - ✓ Districts Covered: 78 in total across 7 states.
  - **Key Features:**

- ✓ Community Participation: Local communities involved in planning and management.
- ✓ Capacity Building: Training for officials and community members.
- ✓ Water-Efficient Practices: Adoption of water-saving technologies in agriculture.
- ✓ Monitoring: Use of GIS and remote sensing for groundwater tracking.

### 17. Mission Amrit Sarovar:

- **Launched:** 24th April 2022
- **Goal:** Rejuvenate 75 water bodies in each district for India's 75th year of independence.
- **Target:** 50,000 water bodies.
- **Progress:** 93,000 sites selected.
- **Focus:** Community involvement, sustainable water conservation, and revitalizing traditional water bodies.

### 18. The Green Hydrogen Mission:

Announced in **Budget 2023-24** by the **Ministry of New and Renewable Energy**, focuses on decarbonizing India's energy and industrial sectors.

- **Budget:** ₹19,700 Crores
- **Objective:** Promote green hydrogen to reduce carbon emissions, enhance energy security, and make India a global leader in green hydrogen production.
- **Specific Targets:**
  - Produce **5 MMT of green hydrogen by 2030**.
  - **Reduce fuel imports by ₹1 lakh crore.**
  - Attract **₹8 lakh crore in investments** and generate **6 lakh jobs**.
  - Decarbonize industries like **steel, cement**, and refineries.
  - Foster **infrastructure for hydrogen production, storage, and distribution**.
  - Integrate green hydrogen with **renewable energy sources** for grid stability.

### 19. MAHIR: Mission on Advanced and High-Impact Research:

- **Objective:** Enhance power sector sustainability and efficiency (2023-28).
- **Ministry:** Renewable Energy
  - **Research Areas:**
    - ✓ Lithium Batteries
    - ✓ Green Hydrogen
    - ✓ Nano EV Tech
    - ✓ Indigenous CRGO Steel
    - ✓ Geothermal Energy
    - ✓ Electric Cookers
    - ✓ Refrigeration
    - ✓ Carbon Capture
  - **Additional Areas:** AI for smart grids, battery recycling, bioenergy, solar/wind innovations, grid storage.
  - **Outcomes:** Boost renewable energy, reduce emissions, and advance sustainable technology.

**20. Pradhan Mantri Sahaj Bijli Har Ghar Yojana – Saubhagya (2017):**

- **Objective:** Achieve universal household electrification and provide solar systems to remote, inaccessible areas.
- **Target Beneficiaries:**
  1. **Urban Poor:** Free connection based on 2011 Socio-Economic and Caste Census.
  2. **Other Urban Households:** Rs. 500 per connection.
  3. **Rural Households:** Free connection.
  4. **Scheduled Castes (SC) & Scheduled Tribes (ST):** Free connections for households in these communities in rural and urban areas.
  5. **Below Poverty Line (BPL) Families:** Free electricity connections for BPL households.
  6. **Remote Areas:** Free or subsidized solar connections for unelectrified households in remote areas.
- **Budget:** Rs. 16,320 crore (5 years).
- **Provision:** 5 LEDs, 1 fan, and a power plug. Free battery repairs for 5 years.
- **Nodal Agency:** Rural Electrification Corporation Limited.
- **Ministry:** Ministry of Power.
- **Impact:** Improved living standards, enhanced education and health, and promotion of clean energy in underserved regions.

## MINISTRY OF FINANCE SCHEMES

**1. Pradhan Mantri Jan Dhan Yojana (PMJDY):**

Launched on **28 August 2014** by the **Ministry of Finance**, aims to provide financial inclusion to deprived sections of society.

**Objectives:**

- **Financial Inclusion** – One bank account per household.
- **Basic Banking Services** – Accessible to the underprivileged.

**Key Features:**

- **Zero Balance Accounts** – No minimum balance required.
- **Accident Insurance** – ₹2 lakh coverage.
- **Overdraft Facility** – ₹10,000 for eligible users.
- **Rupay Debit Card** – Provided to account holders.
- **Direct Benefit Transfers** – For government benefits.
- **Mobile Banking** – Accessible through mobile phones.

**Achievements:**

- **53 crore accounts** opened (29 crore by women).
- **₹1.75 lakh crore** in deposits.

**Challenges:**

- **Account Dormancy** – Many accounts remain inactive.
- **Infrastructure Gaps** – Limited banking access in some rural areas.

PMJDY empowers low-income families with access to financial services and government benefits.

**2. Pradhan Mantri Jeevan Jyoti Bima Yojana (PMJJBY):**

Launched on **May 9, 2015**, is a one-year life insurance scheme offering **Rs. 2 lakh coverage** in case of **death** (normal, accidental, or due to Covid-19).

- **Eligibility:** Individuals aged **18-50 years** with a **bank account**.
- **Premium:** **Rs. 436 per year** (auto-debited from bank account).
- **Coverage Period:** From **June 1 to May 31** (renewable annually).
- **Claim:** Payable to the nominee in case of death.
- **Administered by:** **LIC** and other insurers.
- **Exclusions:** No coverage for death by suicide within the first year.
- **Ministry:** **Ministry of Finance**.

The scheme aims to provide **affordable life insurance** to people, particularly the economically weaker sections, for financial security.

**3. Atal Pension Yojana (APY):**

Launched on 9th May 2015 by the Finance Ministry, aims to provide a minimum pension to workers in the unorganized sector after the age of 60.

**Key Features:**

- **Eligibility:** Workers aged 18-40 years from the unorganized sector.
- **Pension Amount:** Fixed between ₹1,000 to ₹5,000 per month after 60.
- **Contribution:** Requires a minimum of 20 years of contribution.
- **Government Co-contribution:** 50% of the premium or ₹1,000 (whichever is lower) for the first 5 years.
- **Tax:** Income tax payers and government employees are not eligible.
- **Exit:** In case of death before 60, the nominee gets the accumulated amount.

The scheme is 100% government-sponsored, aiming for financial inclusion and social security for low-income workers.

**4. Pradhan Mantri Suraksha Bima Yojana (PMSBY):**

- **Launched:** May 9, 2015
- **Ministry:** Ministry of Finance
- **Premium:** Rs. 20 annually, auto-debited from bank
- **Coverage:**
  - Rs. 2 lakh for accidental death/total disability
  - Rs. 1 lakh for partial disability
- **Eligibility:** Ages 18-70, with linked Aadhaar and bank account
- **Objective:** Affordable accident insurance for financial security
- **Claim Process:** Through participating banks
- **Renewal:** Automatic yearly renewal
- **Tax Benefit:** Eligible under Section 80C
- **Enrollment & Administration:** Through public sector banks and insurance companies
- **Impact:** Enhances financial inclusion, particularly for low-income groups.

### 5. Stand-Up India Scheme: Key Facts

- Launch Date: April 5, 2016.
- Objective: Promote entrepreneurship among SC/ST and women.
- Focus: Provide loans to set up greenfield enterprises in manufacturing, services, or trading sectors.
- Loan Amount: ₹10 lakh to ₹1 crore.
- Eligibility:
  - SC/ST or women entrepreneurs aged 18+.
  - Greenfield projects only.
- Tenure: Loan repayment period up to 7 years.
- Implementation: Managed by all Scheduled Commercial Banks.
- Additional Support: Handholding services, including guidance and mentoring.
- Goal: Encourage job creation and economic empowerment.

## MSME, TEXTILES, COMMERCE AND TRADE RELATED SCHEMES

### 1. MSME Competitive LEAN Scheme:

Boosting Global Competitiveness for Small Enterprises

Launched in March 2023 by the Ministry of MSME, the scheme focuses on waste reduction, productivity enhancement, and quality improvement for Micro, Small, and Medium Enterprises (MSMEs) through Lean manufacturing principles.

#### ◦ Key Features:

- Waste reduction & efficiency improvement
- 90% government-funded consultancy
- Expert guidance from the National Productivity Council (NPC)
- Aiming for global competitiveness & sustainability

### 2. RAMP Scheme (Raising and Accelerating MSME Performance):

◦ **Launch:** 30 June 2022 (Budget 2022-23)

◦ **Budget:** ₹6000 crore (World Bank-supported)

#### **Objectives:**

- ✓ Improve MSME access to markets and credit.
- ✓ Resolve delayed payments and promote eco-friendly products.

#### **Key Features:**

- ✓ Strengthens MSME institutions and sustainability.
- ✓ Promotes innovation, green technologies, and financial literacy.

### 3. MSME Portal:

- **E-Shram Portal-** Registration and welfare of unorganized workers (Ministry of Labour).
- **Udyam Portal-** MSME registration and access to government benefits (Ministry of MSME).
- **Champions Portal-** MSME grievance redressal and business support (Ministry of MSME).

- **RAMP Portal-** Enhances MSME performance through schemes and funding (Ministry of MSME). [ramp.msme.gov.in](http://ramp.msme.gov.in)
- **Samadhan Portal-** Resolves delayed payment issues for MSMEs (Ministry of Labour).

#### 4. **Startup India Initiative:**

- **Launched:** 16th January 2016
- **Objective:** To create a robust ecosystem for startups and innovation in India.
- **Administered by:** DPIIT (Department for Promotion of Industry and Internal Trade), Ministry of Commerce and Industry
- **Key Eligibility Criteria for Startups:**
- **Headquarters:** Must be based in India.
- **Age:** Must be less than 10 years old.
- **Turnover:** Should not exceed ₹100 crores annually.
- **Key Features & Benefits:**
- **Tax Benefits:**
  - 3 years of income tax exemption.
  - No Capital Gain Tax (CGT) for 3 years.
- **Self-Certification:** Streamlined compliance with labor and environmental regulations.
- **Patent Incentives:** 80% reduction in patent filing fees.
- **Ease of Business Closure:** The process for closing a startup within 90 days is simplified.
- **Legal Exemptions:** Relief from 9 labor and environmental laws.
  - **Startup India Seed Fund Scheme:**
  - **Budget:** ₹945 crores (2021–2025)
  - **Grant:** Up to ₹5 crores for prototype and product testing.
  - **Eligibility:** Startups recognized by DPIIT and not older than 2 years.
  - **Milestone:**
  - **1.25 lakh startups** expected to be nominated by March 2024.

#### 5. **Make in India:**

(Launched on **September 25, 2014**) aims to transform India into a global manufacturing hub, driving economic growth and job creation.

##### **Key Highlights:**

- **Focus Areas:** Initially 25 sectors, expanded to 27 under **Make in India 2.0**.
- **Objectives:**
  - Increase manufacturing's share in GDP from 16% to 25% by 2022.
  - Create **10 crore jobs** in manufacturing by 2022.
  - Establish Indian manufacturing as a **global brand**.
  - Ensure **environmentally sustainable** growth.

##### **Achievements:**

- **FDI Growth:** Increased foreign investment in key sectors.
- **Ease of Doing Business:** Reforms in labor laws and infrastructure.
- **Focus Sectors:** Automobiles, defense, textiles, IT, electronics, and renewable energy.

## 6. **Production Linked Incentive (PLI) Scheme:**

**Launch Date:** 1 April 2020

**Goal:** Boost manufacturing to 25% of GDP, reduce imports, create jobs, and strengthen "Make in India."

**Key Points:**

- Incentives: **4-6%** on incremental sales for 5-7 years.
- Sectors (14): Textiles, Steel, Food Processing, IT Hardware, Pharmaceuticals, Batteries, Electronics, Solar Modules, White Goods, Automobiles, Appliances, Telecom, Medical Devices, and Drones.

## 7. **Unity Mall Scheme:**

**Announced:** Union Budget 2023-24.

**Purpose:**

- Promote **handicrafts, GI products, and ODOP items.**
- Boost local economies and empower artisans.

**Key Highlights:**

- Established in state capitals, tourist hubs, or financial centers.
- Features regional crafts, cultural exhibits, and training programs.
- Supports e-commerce, cashless payments, and digital marketing.

**Impact:** Preserves cultural heritage and strengthens artisan livelihoods.

## 8. **FAME India Scheme:**

- **Objective:** Accelerate EV adoption to reduce emissions and fossil fuel reliance.
- **Launched:** 2015, under the Ministry of Heavy Industry.

**Phases:**

1. **FAME-I (2015-2019):** Pilot projects and awareness creation.
2. **FAME-II (2019-2024):** ₹10,000 crore for EV subsidies and infrastructure.

**Key Features:**

- ✓ Subsidies for **7,000 e-buses, 50,000 three-wheelers, 55,000 cars, and 10 lakh two-wheelers.**
- ✓ Development of **2,636 charging stations**, including on highways.

**Vision:**

- ✓ Promote green mobility and domestic EV manufacturing.

## 9. **PM MITRA Park Scheme:**

- **Objective:** Modernize textile infrastructure, attract investments, create jobs, and boost exports.
- **Ministry:** Ministry of Textiles
- **Launch:** Announced in Budget 2021-22 | **Period:** Up to 2027
- **Budget:** ₹4,445 crore

**Key Features:**

1. **Parks:** 7 locations in Tamil Nadu, Telangana, Karnataka, Maharashtra, Gujarat, Madhya Pradesh, and Uttar Pradesh.
  - **First Park:** Virudhunagar, Tamil Nadu
2. **Funding:** ₹500 crore for Greenfield Parks and ₹200 crore for Brownfield Parks.
3. **Infrastructure:** Integrated facilities for manufacturing, logistics, housing, and sustainability.

## RURAL DEVELOPMENT SCHEMES

### 1. Pradhan Mantri Awas Yojana - Gramin (PMAY-G):

- **Objective:** "Housing for All by 2024" with a target of **2.95 crore houses** in rural areas.
- **Launch:** 20th November 2016, revamped from **Indira Awas Yojana (IAY)**.
- **Beneficiaries:** ST/SC, Widows, Divyang, Minorities, Free Bonded Labour, Kin of Martyrs, based on **Socio-Economic Census 2011**.
- **Financial Assistance:**
  - **Rs. 1.20 lakh** (plain areas), **Rs. 1.30 lakh** (hilly areas).
  - Additional **Rs. 12,000** for toilets.
- **Labor Remuneration:** **Rs. 19,800** under MNREGA for 90 days.
- **House Size:** Minimum **25 square meters**.
- **State Contribution:** **60:40** (plain areas), **90:10** (hilly areas).
- **Rajasthan Progress:** **16 lakh houses completed** out of 17 lakh eligible families.
- **Phase-II:** **2 crore additional houses** to be built.

### 2. Pradhan Mantri Gram Sadak Yojana (PMGSY):

- **Launched:** 2000 by Ministry of Rural Development
- **Aim:** To provide all-weather road connectivity to rural areas.
- Eligibility:**
  - ✓ **Plain regions:** Villages with populations >500
  - ✓ **Hilly/tribal/desert regions:** Villages with populations >250
- Phases:**
  - ✓ **Phase I** (2000-2012): Connect villages with populations >500 (plain) and >250 (hilly/tribal).
  - ✓ **Phase II** (2013): Road upgrades for better connectivity.
  - ✓ **Phase III** (2019-2024): Target 1.25 lakh km of roads.
  - ✓ **Phase IV** (2024-2028): 25,000 settlements (62,500 km) to be connected.
- Impact:**
  - ✓ Improved market, education, and healthcare access.
  - ✓ Created jobs in road construction.

**Funding:** Jointly by central and state governments.

### 3. The Shyama Prasad Mukherjee Rurban Mission (SPMRM):

Launched on 16th September 2015 by the Ministry of Rural Development, aims to bridge the rural-urban divide by developing rural areas with urban amenities and services.

#### Key Features:

- Cluster-based development of 300 rural clusters, focusing on both plain coastal areas (25,000-50,000 people) and desert areas (5,000-10,000 people).
- Investment attraction through clusters, fostering economic growth and employment.
- Employment generation and poverty alleviation through rural development, infrastructure improvement, and local business promotion.

**Objectives:**

- Integrated rural development with urban-like facilities (roads, water, sanitation, electricity).
- Inclusive growth targeting marginalized communities.
- Sustainable development with an emphasis on green solutions and local resources.

By creating better infrastructure and job opportunities, the mission strives to reduce migration, increase rural prosperity, and promote balanced growth across India.

**4. The Deendayal Antyodaya Yojana - National Rural Livelihoods Mission (DAY-NRLM):**

Launched in 2011 by the Ministry of Rural Development, aims to alleviate rural poverty by enhancing access to financial services and self-employment opportunities for rural poor households. The program focuses on empowering women, improving livelihoods, and fostering community development through Self-Help Groups (SHGs).

**Key Components:**

1. One woman from each rural poor household.
2. Financial inclusion via SHG bank linkage.
3. Sustainable livelihoods through skill development.
4. Formation of SHGs for collective action.

**Key Sub-Schemes:**

- **Deendayal Upadhyay Grameen Kaushalya Yojana (DDU-GKY):** Skill training and market-based employment for rural youth (15-35 years).
- **Aajeevika Gramin Express Yojana:** Safe, affordable rural transport via SHG-operated vehicles.
- **Start-Up Entrepreneurship Programme:** Encouraging local rural entrepreneurship.
- **Rural Self Employment Training Institutes (RSETIs):** Training for individuals aged 18-45.

**Achievements:**

- 91 lakh SHGs formed, mobilizing 9.9 crore women.
- SHG products sold on Meesho.
- Significant improvements in rural financial inclusion and livelihood opportunities.

**Budget & Coverage:**

- Applicable across all states and union territories (except Delhi and Chandigarh).
- 745 districts and 7132 blocks covered.

DAY-NRLM aims to continue enhancing rural livelihoods, financial access, and women's empowerment.

**5. The Sansad Adarsh Gram Yojana (SAGY):**

Launched on October 11, 2014, by the Ministry of Rural Development, aims to accelerate rural development and make villages self-sufficient. Under the scheme, each Member of Parliament (MP) is tasked with selecting 3 villages (1 by 2016, 2 by 2019, and 5 more by 2024) for comprehensive development. MPs can choose villages within their constituency (Lok Sabha), state (Rajya Sabha), or anywhere in India (nominated MPs).

**The focus areas include:**

- Infrastructure development (roads, sanitation, electricity),
- Health and education improvements,
- Cleanliness and environmental sustainability, and
- Economic empowerment through skill development and entrepreneurship.

Funding is sourced from the MPLADS, CSR contributions, MNREGA, and Gram Panchayat revenues. Villages with populations of 3,000-5,000 in plains and 1,000-3,000 in hilly areas are eligible for selection.

The program aims to create model villages with lasting improvements, involving local communities in their development for greater ownership and sustainability. By 2024, each MP is expected to have developed 8 smart villages.

## 6. Lakhpati Didi Scheme:

was launched on 15th August 2023 by Prime Minister Modi as part of the Deendayal Antyodaya NRLM under the Ministry of Rural Development. The scheme aims to empower 3 crore rural women through skill development and micro-enterprise creation.

### Key Features:

1. **Income Target:** To help rural women earn Rs 1 lakh per year.
2. **Nationwide Expansion:** Initially implemented in select states, now being expanded nationwide.
3. **Women Enterprise Acceleration Fund:**
  - Loans up to Rs 5 lakh for individual enterprises (5 years tenure).
  - Loans up to Rs 2 crore for collective enterprises like Farmer Producer Organizations (FPOs).

### Objectives:

- **Skill Training:** Enhance the skills of rural women for better employment and entrepreneurship.
  - **Encourage Micro Enterprises:** Promote business ventures through Self-Help Groups (SHGs).
- This scheme aims to boost economic empowerment, gender equality, and sustainability in rural India.

## 7. Swachh Bharat Mission (Rural) - "Ek Kadam Swachta Ki Aur":

- Launched: 2nd October 2014
- Objective: Achieve cleanliness, Open Defecation Free (ODF) status, and implement solid and liquid waste management in rural India.
- Target: Build 11 crore toilets in rural areas.
- Nodal Agency: Ministry of Drinking Water and Sanitation.

### Swachh Bharat Mission II (SBM II) - 2020-2024

- **Aim:** Achieve ODF+ (sustainable waste management), ensure no open defecation, and promote hygiene.
  - **Focus:**
    1. Sustain ODF status.
    2. Manage solid and liquid waste effectively.
    3. Promote community participation and awareness.
- SBM has led to significant improvements in rural sanitation, making rural areas cleaner, healthier, and more hygienic.

## URBAN DEVELOPMENT SCHEMS

### 1. HRIDAY Scheme (Heritage City Development and Augmentation Yojana):

- **Launched:** 2015
- **Completion:** 2019

- **Budget:** Rs. 500 crore (100% centrally sponsored)
- **Ministry:** Ministry of Urban Development
- **Objective:**
  - Modernize and preserve 12 heritage cities
  - Improve infrastructure, conservation, and tourism
- **Target Cities:** Ajmer, Amritsar, Varanasi, Puri, Badami, Dwarka, Gaya, Mathura, Kanchipuram, Velankanni, Warangal, Amravati
- **Focus Areas:**
  - Infrastructure development
  - Heritage conservation
  - Tourism promotion
  - Local economy enhancement
- **Outcome:** Improved urban amenities, sustainable tourism, and preserved cultural heritage.

## 2. **AMRUT Mission (Atal Mission for Rejuvenation and Urban Transformation):**

- **Launched:** June 25, 2015
- **Ministry:** Ministry of Housing and Urban Affairs, Government of India
- **Objective:** Improve urban infrastructure in 500 cities with a population of 1 lakh (75,000 for riverside cities), focusing on water supply, sewage systems, green spaces, and parks.
- **Key Goals:**
  - Ensure 100% water supply to households.
  - Provide 100% sewage coverage.
  - Rejuvenate water bodies and increase greenery.
- **AMRUT 2.0 (1oct. 2021-2026):** Expands to 4,700 urban local bodies with a focus on sustainable urban development, smart water management, and eco-friendly infrastructure.
- **PPP Mode:** Mandatory for cities with populations over 10 lakh.
- **Funding:** Central and state governments with active involvement of local urban bodies for planning and execution.

The mission enhances urban living by improving basic amenities, fostering sustainable growth, and ensuring cleaner, greener cities.

## 3. **SVANidhi se Samridhi:**

Launched by the Ministry of Housing and Urban Affairs on 4th January 2021, this program extends the PM SVANidhi scheme to assess street vendors' eligibility for eight welfare schemes.

### **Key Welfare Schemes:**

1. **Jan Dhan Yojana** – Financial inclusion.
2. **PM Jeevan Jyoti Bima Yojana** – Life insurance.
3. **PM Suraksha Bima Yojana** – Accident insurance.
4. **PM Shram Yogi Maandhan Yojana** – Pension for unorganized workers.
5. **One Nation One Ration Card** – Portable ration system.
6. **Janani Suraksha Yojana** – Maternal health support.
7. **PM Matru Vandana Yojana** – Support for pregnant women and mothers.
8. **BOCW (Building & Other Construction Workers)– Welfare for construction workers.**

Implemented in 125 cities with 7 cities in Rajasthan, this initiative aims to improve the financial and social security of street vendors and their families.

#### **4. Smart City Mission:**

Launched by the Ministry of Housing and Urban Affairs on June 25, 2015, the mission aims to develop 100 smart cities across India by March 31, 2025.

##### **Key Features of the Mission**

- Integrated Command and Control Centers (ICCCs)
- Technological Integration for Urban Mobility, Smart Governance, and Sustainability
- Focus on Affordable Housing, Quality Education, and Citizen Engagement
- Environmental Sustainability and Improved Quality of Life

##### **Cities Under the Mission**

- **Rajasthan:** Jaipur, Udaipur, Kota, and Ajmer
- **Shillong:** 100th Smart City

The mission seeks to create sustainable, efficient, and citizen-centric urban spaces across India.

#### **5. Swachh Bharat Mission (Urban):**

Launched on 2nd October 2014 by the Ministry of Housing and Urban Affairs, the mission focuses on:

1. Eliminating open defecation (ODF).
2. Abolishing manual scavenging.
3. Improving waste management.

##### **Key Achievements:**

- 4715 Urban Bodies declared ODF.
- Phase II (from 1st Oct 2021) aims for garbage-free cities, promoting waste segregation and recycling.

##### **Key Initiatives:**

- Swachh Survekshan (annual cleanliness survey).
- Door-to-door waste collection and segregation.
- Waste-to-energy projects and capacity building for Urban Local Bodies.

#### **6. NAMASTE Scheme (2022–2026):**

**Full Form:** National Action for Mechanized Sanitation Ecosystem

**Type:** Central Sector Scheme

**Budget:** ₹349 crore (2022–2026)

**Ministries Involved:** Ministry of Housing and Urban Affairs & Ministry of Social Justice and Empowerment

##### **Objectives:**

- 100% mechanized cleaning of sewers and septic tanks.
- Zero fatalities in sanitation work.
- Formalization, skilling, and empowerment of sanitation workers.

##### **Key Features:**

- Covers 500 AMRUT cities.
- Insurance coverage under Ayushman Bharat for sanitation workers.

- Provides training and mechanized equipment for safe cleaning.
- Establishes Emergency Response Sanitation Units (ERSUs).
- Promotes alternative livelihoods and worker rehabilitation.
- Develops a sanitation worker database for effective monitoring.

**Focus:** Eliminate manual scavenging, ensure worker safety, and promote mechanized sanitation systems.

## 7. **Jal Jeevan Mission (Urban):**

### **Announcement**

- Year: 2021-22
- Ministry: Housing and Urban Affairs
- Budget: ₹2.87 lakh crore (₹10,000 crore for AMRUT)

### **Objectives**

1. Provide functional tap water in all urban households.
2. Improve sewerage management in 500 AMRUT cities.
3. Promote water conservation, recycling, and rainwater harvesting.
4. Enable digital monitoring of water quality.

### **Funding Pattern**

- **UTs** : 100%
- **Hill States** : 90%
- Population <1 Lakh : 50%
- Population 1-10 Lakh : 33%
- Population > 10 Lakh : 25% (PPP model).

### **Features**

- **Integrated Systems:** Water supply, wastewater treatment, and drainage.
- **Tech-Driven:** IoT-enabled monitoring.
- **PPP Model:** Encourages private participation.

### **Outcomes**

- Clean drinking water access.
- Improved sanitation and health.
- Sustainable water management.
- Better urban resilience.

## 8. **CITIIS 2.0 (City Investments to Innovate, Integrate, & Sustain):**

Approved in August 2023, CITIIS 2.0 is a government initiative led by the Ministry of Housing and Urban Affairs (MoHUA), supported by international partners like AFD, KfW, EU, and NIUA. It focuses on:

1. **Waste Management** (18 cities)
2. **Climate Action** (integrating climate resilience)
3. **Expansion of Cities** (sustainable urban growth)

Building on CITIIS 1.0 (which covered 12 cities), CITIIS 2.0 aims to drive sustainable, climate-friendly urban development and improve infrastructure in India's cities.

**9. Pradhan Mantri Awas Yojana (Urban):**

- **Launched:** June 25, 2015 (extended to 2024).
- **Objective:** Affordable housing for all by 2024.
- **Target:** 1.25 crore houses, 86 lakh completed.

**Eligibility:**

- No pucca house in India.
- **Income:**
  - EWS: ₹0–3 lakh
  - LIG: ₹3–6 lakh
  - MIG: ₹6–9 lakh

**Key Components:**

- ✓ **BLC:** Support for individuals to build homes.
- ✓ **AHP:** Government-private partnerships for affordable homes.
- ✓ **ARH:** Affordable rental housing.
- ✓ **ISS:** Interest subsidy on home loans for EWS/LIG.

**10. DAY-NULM:**

Aims to reduce urban poverty and create employment by providing financial assistance and skill development to the urban poor, SHGs, and small businesses.

- **Eligibility:** Cities with populations over 1 lakh.
- **Support:** Loans of ₹2 lakh per member (max ₹10 lakh/SHG) and ₹2 lakh for individual enterprises.
- **Interest:** 7% (4% with subvention).
- **Additional Benefits:** Skill training, shelters for the homeless, and support for street vendors.

**11. PAiSA Portal:**

Provides affordable loans and interest subvention under schemes like **PM SVANidhi** (for street vendors) and **NULM** (for urban poor). It streamlines loan applications and ensures transparency, promoting financial inclusion and economic empowerment.

# MINISTRY OF SOCIAL JUSTICE AND EMPOWERMENT

## 1. SHRESHTA Scheme: Empowering SC Students through Quality Education:

- **Objective:** Provide residential education for Scheduled Castes (SC) students.
- **Eligibility:** Annual family income up to Rs 2.5 lakh; admission for class 9 and 11.
- **Selection:** National-level test by NTA.
- **Benefits:** Free accommodation, food, scholarships, and educational support.
- **Launched:** December 2021/June 2022 by the Ministry of Social Justice and Empowerment.

## 2. SHREYAS Scheme (2021-2025):

The SHREYAS Scheme offers scholarships for OBC and EBC students to pursue higher education and research. It includes support for NET JRF, UGC, and CSIR scholarships, covering tuition, stipends, and research grants. Applications are submitted online with academic records and exam results.

## 3. PM-DAKSH Yojana (Pradhan Mantri Dakshta Aur Kushalta Sampann Hitgrahi Yojana):

- **Period:** 2021-2026
- **Ministry:** Ministry of Social Justice and Empowerment
- **Objective:** Skill development for marginalized communities including SC, OBC, EBC, waste pickers, Safai Karamcharis, and Transgenders.

### Key Features:

- Target Beneficiaries: 2.7 lakh people over 5 years.
- Training Duration: 5 to 35 days.
- Compensation: Rs 500 - Rs 2500 based on attendance.
- Focus Areas: Construction, hospitality, retail, electronics, beauty, agriculture, etc.
- Implementing Agencies: NSFDC, NBCFDC, NSKFDC.
- Goal: Enhance employability and promote self-reliance among marginalized communities through skill development and certification.

## 4. PM YASASVI (PM Young Achievers Scholarship Award Scheme for Vibrant India):

- **Launched:** 2021-22
- **Objective:** Financial aid for education and hostel facilities for OBC, EBC, and DNT students
- **Eligibility:** Family income below Rs. 2.5 lakh per year
- **Key Features:**
  - ✓ Pre-matric (Class 9-10): Rs. 4000 per year
  - ✓ Post-matric (Graduation): Rs. 5000 to Rs. 20,000 per year
  - ✓ Top Class School Education (Class 9-12): Rs. 75,000 to Rs. 1.25 lakh per year
  - ✓ Top Class College Education: Rs. 2 lakh to Rs. 3.72 lakh per year
  - ✓ Hostel Construction for OBC students

## 5. Scholarship for SC students:

### 1. Pre Matric (Class 9-10):

- Rs. 3500 (Rs. 7000 for hostel).
- Family income < Rs. 2.5 lakhs.

**2. Post Matric:**

- Technical: Rs. 7000 (Rs. 13,500 for hostel).
- Other Degrees: Rs. 6500 (Rs. 9500 for hostel).
- Family income < Rs. 2.5 lakhs.

**3. Higher Education (Beyond Class 12):**

- Rs. 2 lakh/year + Rs. 86,000 allowance.
- Family income < Rs. 8 lakhs.

**4. Merit Improvement (Class 9-12):**

- Rs. 25,000/year.
- Family income < Rs. 3 lakhs.
- Available in 19 states.

**5. National Overseas Scholarship (Master's/PhD abroad):**

- Age < 35, family income < Rs. 8 lakhs.
- SC, nomadic tribes, landless farmers.
- Funded through Indian Embassies.

**6. SMILE (Support for Marginalised Individuals for Livelihood & Enterprise):**

A Central Sector Scheme for the rehabilitation of transgender persons and persons engaged in beggary.

**Key Components:**

- **Transgender Persons:** Skill development, financial aid, healthcare, and social inclusion.
- **Begging Rehabilitation:** Vocational training, financial support, housing, and mental health services.

The scheme empowers marginalized individuals, promoting dignity, independence, and livelihood opportunities.

**7. Ambedkar Interest Subvention Scheme for Education Loans**

- **Eligibility:** OBC/EBC students with family income < ₹2.5 Lakhs
- **Loan Coverage:** Tuition, accommodation, travel, and more
- **Interest Subvention:** Government covers interest during study and moratorium
- **Loan Amount:** ₹10 Lakhs to ₹20 Lakhs
- **Repayment:** Starts after course completion

This scheme supports OBC and EBC students in accessing higher education abroad by easing financial burdens.

**9. National Fellowship for OBC Students (2014-15):**

- Support for M.Phil. & Ph.D. Students
- Stipend: ₹25,000/month (JRF), ₹28,000/month (SRF)
- Annual Awards: 300 students
- Duration: Up to 5 years, performance-based renewal

### 10. SEED Scheme (Scheme for Economic Empowerment of DNT):

The **SEED Scheme** is designed to uplift Denotified Tribes (DNTs) by providing essential support in key areas:

- **Educational Support:** Free coaching for competitive exams and skill development.
- **Health Coverage:** Health insurance for DNT families to cover medical expenses.
- **Economic Assistance:** Financial aid for livelihood creation and small business ventures.
- **Housing Support:** Assistance in constructing safe and secure homes.

**Eligibility:** Families with an annual income of less than ₹2.5 lakhs.

The scheme aims to enhance the socio-economic status of DNT communities by improving access to education, healthcare, livelihood opportunities, and housing.

### 11. National Action Plan for Drug Demand Reduction (NAPDDR) (2018–2025):

The NAPDDR aims to reduce drug and alcohol dependency through prevention, treatment, and rehabilitation. It includes two main components:

- **Help to Alcohol Victims:** 90% financial support for treatment and rehabilitation.
- **Social Security Assistance:** 90% financial aid for social security initiatives.

The plan focuses on awareness campaigns, community interventions, professional training, treatment centers, and legal frameworks to effectively tackle substance abuse.

### 12. Atal Vayo Abhyudaya Yojana (AVYAY):

**Objective:** Enhance the standard of living for senior citizens (14.3 crore by 2021).

**Key Features:**

- Revamped National Action Plan for Senior Citizens
- Support to States, UTs, NGOs, and Local Bodies
- Essential Services: Shelter, food, healthcare
- **Sub-components:**
  - Vayoshri Yojana: Assisted living devices for elderly
  - Grants for Elderly Care Services

Ensures improved quality of life, healthcare, and support for senior citizens.

### 13. Pradhan Mantri Jan Vikas Karyakram (PMJVK):

Running from 2021 to 2025, focuses on the socio-economic development of minority communities (Muslims, Christians, Sikhs, Buddhists, Jains, Parsis).

- **Objective:** Improve infrastructure, education, healthcare, & economic opportunities.
- **Coverage:** Areas with over 25% minority population within 15 km.
- **Funding:** Central and state government contributions.

It aims to reduce disparities and enhance the living standards of minorities in India.

### 14. Vanbandhu Kalyan Yojana (VKY):

- **Duration:** 2021–2025
- **Objective:** Uplift tribal communities through development in education, healthcare, and infrastructure.

**Key Components:**

- ✓ **Model Villages:** Infrastructure development (Adi Adarsh Gram Yojana).
- ✓ **Support for Vulnerable Tribes:** Focus on PVTGs.
- ✓ **Scholarships:** Pre-matric and Post-matric education.
- ✓ **Skill Development & Healthcare:** Employment and health initiatives.

**15. PM-JANMAN Abhiyan (Pradhan Mantri Janjati Adivasi Nyaya Maha Abhiyan):**

Launched on **November 15, 2023**, with a budget of **₹24,000 crore** for **3 years**. It aims to uplift **Particularly Vulnerable Tribal Groups (PVTGs)**, targeting a population of **28 lakh** in **18 states** and **1 union territory**.

**Key objectives:**

- Integrating PVTG communities into the mainstream.
- Providing access to **education, healthcare, housing, water, sanitation, roads, and livelihood**.
- Empowering **women** and **promoting cultural preservation**.

Nine ministries are involved in this nationwide initiative, focusing on **socio-economic development** and **legal rights** of tribal communities.

**16. NPS Vatsalya Scheme (Budget 2024-25):**

Allows parents to invest for their children's future from birth to 18 years.

- **Minimum Contribution:** ₹1,000 annually.
- **Investment Options:** Default, auto, or active (equity, debt, govt. securities).
- **Withdrawals:** Partial after 3 years for education/medical needs.
- **At 18:** Converts to NPS Tier-I, with 20% withdrawal and 80% annuity.
- **Tax Benefits:** Deductions under Sections 80CCD(1) and 80CCD(1B).

**17. Pradhan Mantri Vaya Vandana Yojana (PMVVY):**

is a government-backed pension scheme for senior citizens aged 60 and above, launched on May 4, 2017, and operated by LIC.

- **Objective:** To provide assured pension for 10 years.
- **Pension Range:** Rs. 1,000 to Rs. 10,000 per month.
- **Policy Values:** Minimum Rs. 1.5 lakh, Maximum Rs. 15 lakh.
- **Pension Payment:** Monthly, quarterly, half-yearly, or yearly.
- **Loan Facility:** 75% of the purchase price after 3 years.
- **Tax Benefits:** Premium is exempt under Section 80C, pension is taxable.
- **Premature Exit:** Available with certain conditions.

# WOMEN AND CHILD DEVELOPMENT, EDUCATION, HEALTH AND FAMILY WELFARE SCHEMES

## 1. **Beti Bachao Beti Padhao:**

- **Launched:** 22nd Jan 2015, Panipat
- **Goal:** Improve sex ratio & empower women
- **Funding:** 100% Central Government
- **Ministries:** Women and Child Development, Health, Education
- **Phases:**
  1. 100 districts with low sex ratio
  2. 61 more districts
  3. Nationwide
- **Gudda-Guddi Board:** Tracks birth data of girls and boys
- **Focus:** Prevent female foeticide, promote education, empower girls

## 2. **Sukanya Samriddhi Yojana (SSY):**

Launched on **22 January 2015**, under the **Beti Bachao Beti Padhao** campaign, SSY is a government-backed savings scheme that encourages parents to save for their girl child's future, specifically for **higher education** and **marriage**.

### Key Features:

- **Eligibility:** Girl child aged 0-10 years.
- **Account Opening:** By parent/guardian in a bank or post office.
- **Deposit:** Minimum Rs. 250, Maximum Rs. 1.5 lakh/year.
- **Maturity:** Account matures after **21 years**, with partial withdrawals (up to 50%) for education after **18 years**.
- **Interest:** High interest rate (usually higher than regular savings accounts), tax-free returns under Section 10(11) of the Income Tax Act.
- **Duration:** 15 years of deposit, with maturity at 21 years.

This scheme ensures financial security for the girl child's future education and marriage. **International Daughters Day** on **22 September** emphasizes the importance of empowering girls, resonating with the scheme's goals.

## 3. **Pradhan Mantri Matru Vandana Yojana (PMMVY):**

**Launched:** January 1, 2017

**Ministry:** Ministry of Women and Child Development

**Tagline:** *Matru Shakti - Rashtra Shakti*

### Key Features:

- Financial Assistance: Rs. 5000 in 3 installments after the first live birth:
  1. Rs. 1000 for pregnancy registration
  2. Rs. 2000 after 6 months of pregnancy
  3. Rs. 2000 for birth registration
- Janani Suraksha Yojana (JSY): Rs. 6000 for those enrolled under JSY.

### Eligibility:

- Pregnant women aged 19-45 years with no prior maternity benefits.

**Objective:**

- To provide financial support to pregnant women in the unorganized sector.
- To address wage loss and nutritional needs, improving maternal and infant health.

The scheme ensures direct bank transfers for transparency and prioritizes women in rural and unorganized sectors.

**4. PM SHRI Schools (Prime Minister Schools for Rising India):**

- **Launched:** September 2022
- **Duration:** 2022–2027 (5 years)
- **Budget:** ₹27,360 crores
- **Objective:** Upgrade 14,500 schools under the NEP

**Key Features**

- Modernization of infrastructure, smart classrooms, labs, and sports facilities
- Focus on discovery-based, student-centric learning
- Schools to mentor nearby institutions
- Teacher training for innovative education

**First Phase**

- 402 schools selected in Rajasthan (28 in Jaipur, 24 in Jodhpur)

This initiative aims to raise educational standards and leadership across India.

**5. Pradhan Mantri Poshan Shakti Nirman Yojana (PM POSHAN Scheme):**

- **Launched:** September 2021
- **Duration:** 2021-2025
- **Objective:** Provide hot cooked meals in government and government-aided schools
- **Target:** 11.8 crore children in 11 lakh schools

**Key Features:**

- Hot Cooked Meals replacing the mid-day meal scheme
- Increased Food Allocation: 100g for primary (1-5) and 150g for upper primary (6-8) children
- Nutrition Gardens in schools for experiential learning
- **Tithi Bhojan:** Community participation in meal sponsorship
- Focus on Local & Seasonal Foods
- Hygiene & Safety Standards in food preparation

This scheme improves children's nutrition, promotes community involvement, and supports sustainable food practices in schools.

**6. NIPUN Bharat Scheme:**

The NIPUN Bharat Scheme aims to ensure every child, aged 3-9 years, achieves proficiency in foundational literacy and numeracy by Grade 3. Launched by the Ministry of Education, it supports the implementation of NEP 2020.

**Objectives:**

- Improve literacy and numeracy for young children.
- Achieve proficiency in reading, writing, and numeracy by 2026-27.
- Focus on play-based, child-centered learning.

**Key Features:**

- **Target:** Children aged 3-9 years.
  - **Approach:** Teacher capacity building, use of technology, and regular assessments.
- The scheme aims to ensure quality early education and address disparities in learning.

**7. STARS Scheme: Strengthening Teaching-Learning and Results for States:**

- **Launch Date:** February 23, 2021
- **Collaboration:** Government of India & World Bank
- **Objective:** Improve the quality of school education
- **Target States:** Himachal Pradesh, Rajasthan, Maharashtra, Madhya Pradesh, Kerala, Odisha
- **Funding:** \$500 million (World Bank loan)
- **Focus Areas:** Teacher training, learning outcomes, inclusive education, and governance reforms
- **Duration:** 5 years

**8. PM-WANI (Prime Minister's Wi-Fi Access Interface):**

Launched on **9 December 2020**, aims to provide affordable and high-speed internet access across India through **public Wi-Fi hotspots**. The goal is to set up **1 crore hotspots**, especially in rural and underserved areas. The scheme promotes **digital inclusion** by enabling easy access to the internet without the need for licenses for hotspot operators. It encourages local entrepreneurs to set up **Public Data Offices (PDOs)**, fostering **digital empowerment**, creating jobs, and supporting India's **Digital India** initiative.

**9. Janani Suraksha Yojna:**

- Launched on 12th April 2005, JSY aims to promote institutional deliveries and reduce maternal and infant mortality.
- **Key Features:**
  - ✓ Cash Assistance: Rs. 1400 (rural) / Rs. 1000 (urban) for women, Rs. 600 (rural) / Rs. 400 (urban) for ASHA workers.
- **Eligibility:**
  - ✓ High-performing states: BPL women (19+ years).
  - ✓ Low-performing states: All pregnant women (focus on Rajasthan, Chhattisgarh, Bihar, Orissa, UP, J&K).
- The scheme ensures safe deliveries at health institutions with financial support for improved maternal health outcomes.

**10. National Nutrition Mission (Poshan Abhiyaan):**

- **Launched:** 8 March 2018, Jhunjhunu, Rajasthan
- **Ministry:** Ministry of Women and Child Development
- **Objective:** Improve nutrition for children under 6, pregnant women, and lactating mothers
- **Key Goals:**
  - ✓ Child stunting: Reduce by 2% annually
  - ✓ Poor nutrition: Reduce by 2% annually
  - ✓ Child wasting: Reduce by 2% annually
  - ✓ Anemia: Reduce by 3% annually

- **Initiatives:**

- ✓ Poshan 2.0: Includes Anganwadi Seva Yojana and Scheme for Adolescent Girls (14-18 years)
- ✓ Monitoring: Real-time tracking through digital platforms
- ✓ Annual Celebration: National Nutrition Month in September

## 11. **Mission Shakti (2021-2026):**

**Objective:** To monitor and implement schemes aimed at empowering and supporting women, enhancing their safety, welfare, and socio-economic status.

Key Sub-Schemes:

### 1. Samarthya (Support for women's well-being):

- Pradhan Mantri Matru Vandana Yojana: Cash assistance for pregnant and lactating women.
- Ujjwala Yojana: Free LPG connections for BPL women.
- Swadhar Griha (Shakti Sadan): Shelters for women in distress.
- Working Women Hostel (Sakhi Niwas): Safe accommodation for working women.
- Creche Scheme: Daycare services for working women's children.

### 2. Sambal (Safety and justice for women):

- One Stop Center: Comprehensive support for women in distress.
- 181 Women Helpline: 24/7 support for women in crisis.
- Beti Bachao Beti Padhao: Promote gender equality and the welfare of girls.
- Nari Adalat: Community-based dispute resolution for women.

**Key Focus:** Empowerment, safety, healthcare, education, and financial support for women, particularly vulnerable groups.

## 12. **Suposhit Maa Abhiyan:**

Combating Malnutrition Among Pregnant Women

- **Launched:** March 1, 2020, by Om Birla in Kota, Rajasthan
- **Objective:** Provide nutritional kits and health support to pregnant women and adolescent girls
- **Phase 1:** 1,000 women received a 17 kg diet kit
- **Phase 2:** Extended support to an additional 3,000 women
- **Goal:** Contribute to India's National Nutrition Mission for a malnutrition-free country

## 13. **Ayushman Bharat Scheme (Launched: 28 September 2018):**

- **Ministry:** Ministry of Health and Family Welfare
- **Aim:**
  - ✓ Strengthen public health infrastructure.
  - ✓ Achieve Universal Health Coverage (UHC).
- **Beneficiaries:** BPL families, unorganized sector laborers.
- **Coverage:** Health insurance of Rs. 5 lakh for over 55 crore people (12 crore families).
- **Key Components:**
  - ✓ Health and Wellness Centres: 1.5 lakh centres to provide primary healthcare.
  - ✓ PM Jan Arogya Yojna (PMJAY):
  - ✓ Rs. 5 lakh insurance per family.
  - ✓ Covers hospitalization, surgeries, diagnostics, etc.
  - ✓ Over 10 crore families enrolled.

- **Key Updates:**
  - ✓ Ayushman Bhava Abhiyan (Sept 2023): Promotes health services in rural areas.
  - ✓ From September 2024: Additional Rs. 5 lakh insurance for elderly (70+ years).
  - ✓ Implementation: National Health Authority.
- **Additional Benefits:**
  - ✓ Cashless Treatment at empaneled hospitals.
  - ✓ Telemedicine and Digital Health Records under Ayushman Bharat Digital Mission.
  - ✓ The scheme aims to provide affordable healthcare, reduce out-of-pocket expenses, and improve access to quality medical services.

#### 14. **National Health Mission (NHM) – Key Highlights:**

- **Launched:** 2013
- **Objectives:**
  - ✓ Strengthen health systems
  - ✓ Reduce MMR to 1/1000 live births, IMR to 25/1000 live births
  - ✓ Achieve TFR of 2.1
  - ✓ Prevent and control communicable and non-communicable diseases
- **Key Initiatives:**
  - ✓ JSSK, Mission Indradhanush, Ayushman Bharat
- **Focus Areas:**
  - ✓ Maternal and child health, immunization, disease control, workforce strengthening
- **Funding:**
  - ✓ Joint funding by central and state governments

#### 15. **Prime Minister's PVTG Development Mission:**

- **Budget:** ₹15,000 crores
- **Target:** 75 PVTGs across India
- **Focus:** Andhra Pradesh, Telangana, Rajasthan, Odisha, MP
- **Objectives:**
  - ✓ Safe housing, clean water, education, healthcare
  - ✓ Skill development, cultural preservation, infrastructure
- **Goal:** Socio-economic upliftment while respecting tribal traditions.

#### 16. **Ayushman Bharat Digital Health Mission (ABDM):**

- **Launched:** 27 September 2021
- **Objective:** Digitizing healthcare services across India
- **Duration:** 5 years
- **Agency:** National Health Authority (NHA)
- **Key Features:**
  - **ABHA ID (14-digit):** Unique health identification for citizens
  - **Unified Health Interface (UHI):** Standardized platform for data exchange
  - **100 Microsite Projects:** Local digital health promotion
  - **Telemedicine Integration:** Virtual healthcare services
  - **Interoperability:** Seamless data sharing across sectors

- **Health Data Security:** Privacy-compliant management of records

**Benefits:**

- Improved Healthcare Access
- Cost Efficiency & Coordination
- Enhanced Patient Empowerment

**17. Ayushman Bharat Health Infrastructure Mission (ABHIM):**

- ☐ **Launched** : 25 October, 2021
- ☐ **Duration**: 2021 to 2026
- ☐ **Objective**: To develop a health system (three-tier) that can fight future diseases.
- ☐ **Budget**: 64000 crores
- ☐ **Component**: Both centrally sponsored and central sector.
- **Centrally Sponsored Components:**
  1. Ayushman Arogya Mandirs in rural areas (7 states)
  2. Ayushman Arogya Mandirs in urban areas
  3. Block Level Primary Health Unit (B-PHU) in 11 states
- **Central Sector Components:**
  1. 12 ICU-Blocks
  2. Setting up of Bio Safety Level III Labs.

**18. Sickle Cell Anemia Eradication Mission (Budget 2023-24):**

- **Objective**: Eliminate sickle cell anemia by 2047.
- **Screening**: Universal screening of 7 crore people up to 40 years of age, focusing on tribal areas.
- **Focus**: Early detection, genetic counseling, and strengthening healthcare infrastructure.
- **Goal**: Reduce the prevalence of sickle cell anemia through awareness and medical support.

## EMPLOYMENT AND SKILL DEVELOPMENT SCHEMES

1. **PM Kaushal Vikas Yojana:**

- ☐ Launched - July 2015
- ☐ Ministry - Ministry of Skill Development and Entrepreneurship
- ☐ Objective - Target of skill training of 40 crore youth for better livelihood
- ☐ PMKVY 4.0 - Announcement in Budget 2023-24
- ☐ Period - Next 3 years
- ☐ Provisions - 30 Skill India Centers will be established in the country.

2. **PM Vishwakarma Kaushal Samman Yojana (PMVKSY):**

Launched under the **PM Vikas Yojana**, is a central government initiative aimed at providing financial and skill development support to traditional artisans and craftsmen.

**Key Features:**

- **Budget:** Rs. 13,000 crores
- **Commencement:** September 17, 2023
- **Target:** 18 types of traditional artisans
- **Financial Assistance:** Rs. 3 lakh at 5% interest, with Rs. 1 lakh in the first installment (18 months) and Rs. 2 lakh in the second (30 months).
- **Stipend:** Rs. 500 during skill training
- **Equipment Subsidy:** Rs. 15,000 for tools
- **Digital Transaction Incentive:** Rs. 1 per transaction (up to Rs. 100/month)
- **Eligibility:** One artisan per family, age 18+, no other government loans in the last 5 years
- **Verification:** By Gram Panchayat, District Committee, and Screening Committee
- The scheme aims to enhance skills, provide financial support, and integrate artisans into the MSME sector for better market access.

3. **Antyodaya Shramik Suraksha Yojana:**

- **Launch Date:** 8th July 2023 (Nadiad, Gujarat)
- **Goal:** Provide insurance coverage to workers, especially in the informal sector.

**Key Features:**

- **Insurance Coverage:** ₹5 lakh or ₹10 lakh.
- **Premium Rates:** ₹289 (for ₹5 lakh) and ₹499 (for ₹10 lakh).
- **Implementation:** 60,000 post offices across India.

This scheme aims to offer financial security to workers with low-cost insurance options.

4. **Pradhan Mantri Matsya Kisan Samridhi Sah-Yojana (PM-MKSSY):**➤ **Objective:**

To digitalize, formalize, and enhance the fisheries sector, improving fish production and creating employment.

➤ **Key Features:**

- ✓ **Budget:** ₹6000 Crores (50:50 Centre: World Bank)
- ✓ **Duration:** 2023-2027

- ✓ **Target Beneficiaries:** Fishermen, fish workers, vendors, cooperatives, SHGs, FPOs, and fisheries companies.
- **Main Provisions:**
  - ✓ 6.4 lakh micro-enterprise registrations
  - ✓ Loans to 5000 fisheries cooperatives
  - ✓ 1.7 lakh new jobs (75,000 for women)
  - ✓ Grants for value chain development (up to ₹2 Crores)
- **Core Components:**
  - ✓ Formalization & Working Capital
  - ✓ Value Chain Enhancement
  - ✓ Fish Product Quality Improvement
  - ✓ Project Management
- **Expected Outcome:**

A sustainable, digitalized fisheries sector with increased production, exports, and enhanced livelihoods.

## 5. **Aatmanirbhar Bharat Rojgar Yojana (ABRY):**

Aims to boost employment and enhance social security by covering Employees' Provident Fund (EPF) contributions for new hires.

### **Key Features:**

- **Objective:** To generate new employment opportunities and provide social security to employees earning less than Rs 15,000/month.
- **Provisions:**
  - For **establishments with up to 1000 employees:** Both **employee and employer contributions** (24% of wages) are covered by the government.
  - For **establishments with more than 1000 employees:** Only the **employee's EPF contribution** (12% of salary) is covered.
- **Duration:** The scheme covers EPF contributions for **two years** from the date of a new employee's appointment.

The scheme is designed to encourage job creation in the formal sector and support the recovery of the economy post-pandemic.

## 7. **Aatmanirbhar Bharat Rojgar Yojana (ABRY):**

- **Launched:** October 2020
- **Objective:** To promote formal employment and enhance social security.

- **Coverage:**
  - ✓ **For establishments with  $\leq 1,000$  employees:** Government covers both employee and employer EPF (24% of wages).
  - ✓ **For establishments with  $> 1,000$  employees:** Government covers only the employee's EPF (12% of wages).
- **Eligibility:** Employees earning less than Rs 15,000 per month and newly hired.
- **Time Frame:** Coverage lasts for two years or until the scheme concludes.
- **Goal:** Reduce employers' financial burden and promote job creation.

#### **8. Pradhan Mantri Shram Yogi Mandhan Yojana (PM-SYMY):**

- **Launch:** 5 March 2019
- **Ministry:** Ministry of Labor & Employment
- **Objective:** Provide Rs.3,000/month pension after 60 for unorganized sector workers.
- **Eligibility:**
  - Age 18-40, income up to Rs. 15,000.
  - Not a member of EPFO, NPS, or income taxpayer.
- **Key Points:**
  - Worker contributes monthly; government matches.
  - Ensures financial security in old age.

## OTHER IMPORTANT SCHEMES

**1. Project Bharatmala :**

**Objective:** Enhance road connectivity, boost trade, and strengthen border security.

**Phase I (2017-22):**

- **Road Length:** 34,800 km (24,800 km new + 10,000 km NHDP).
- **Budget:** ₹5.35 lakh crore.
- **Road Types:**
  - Economic Corridors: 9,000 km
  - Inter Corridors: 6,000 km
  - National Corridors: 5,000 km
  - Expressways: 800 km
  - Border Roads & Port Roads: 4,000 km

**Phase II:** Proposed 48,877 km.

**Benefits:** Faster travel, better trade, rural integration, and improved logistics.

**2. Project Sagarmala (2016–2025):**

**Objective:** Transform India's maritime sector through port modernization, new port construction, enhanced connectivity, and port-linked industrialization.

**Key Features:**

- **Ministry:** Ports, Shipping, and Waterways
- **Budget:** ₹8.37 lakh crore
- **Projects:** 839 planned initiatives
- **Major Developments:**
  - Modernization of 12 major ports (e.g., Sagar Island, Kanyakumari, Vadhavan).
  - Establishment of 14 Coastal Economic Zones (CEZs).
  - Focus on reducing logistics costs and boosting exports.

**Executing Agency:**

Sagarmala Development Company Ltd. (est. 2016).

**3. Pradhan Mantri Garib Kalyan Anna Yojana (PMGKAY):**

**Launch:** 26 March 2020 (under Atmanirbhar Bharat Abhiyaan)

**Objective:** Provide free food to the poor and maintain nutritional levels during crises.

**Ministry:** Ministry of Consumer Affairs, Food and Public Distribution

**Features (2020):**

- Covers 81.35 crore beneficiaries under NFSA.
- 5 kg free foodgrains (rice/wheat) per person per month, in addition to regular entitlements (total 10 kg per person).

**Relaunch (2023):**

- Merged all foodgrain schemes into PMGKAY.
- Beneficiaries to get 5 kg free foodgrains per person monthly (max 35 kg per family) till December 2028.

- COVID-era additional 5 kg discontinued.

### 4. PM Gati Shakti Yojana (National Master Plan for Multi-Modal Connectivity):

- **Launched:** 13 October 2021
- **Objective:** Speed up infrastructure projects, reduce costs, boost the economy, and create jobs.
- Key Features:**
  1. **Integrated Ministries:** 24 ministries on a digital platform to streamline processes and remove bottlenecks.
  2. **Single-Window System:** Prevents duplication and ensures efficient planning.
  3. **Focus Areas:** Roads, Railways, Airports, Ports, Waterways, Goods Transport, and Logistics Infrastructure.
  4. **GIS-Based Planning:** Real-time project tracking and resource optimization.
  5. **Inclusive Development:** Improved connectivity to remote areas and economic zones.

### 5. Shree Anna Yojana:

- **Launched:** 2023-24
- **Objective:** Promote millet production for food security, better nutrition, and sustainable farming.
- Key Points:**
  1. **Shree Anna:** Coarse grains like Bajra, Jowar, and Ragi renamed to highlight their importance.
  2. **Global Recognition:** 2023 declared as International Year of Millets by the UN.
  3. **Health & Sustainability:** Millets are nutrient-rich, climate-resilient, and resource-efficient.
  4. **Research Focus:** Indian Millet Research Institute (Hyderabad) to be a **Centre of Excellence**.
  5. **Government Support:** Increased MSP, inclusion in public schemes, and export promotion.

### 6. BHARAT SHRI Scheme :

**Full Form:** Bharat Shared Repository of Inscriptions

**Announced:** Budget 2023-24

**Key Features:**

- Digital repository for one lakh ancient inscriptions.
- Set up by ASI in Hyderabad.
- Utilizes AI and 3D imaging for preservation and accessibility.

**Significance:**

- Preserves cultural heritage, supports research, and promotes global access.

### 7. MISHTI Scheme:

- **Objective:** Promote mangrove plantations for biodiversity, coastal protection, climate mitigation, and sustainable livelihoods.
- **Key Benefits:** Restores ecosystems, reduces erosion, acts as a carbon sink, and supports livelihoods like eco-tourism and aquaculture.
- **Ministry:** Environment, Forest, and Climate Change (MoEFCC).
- **Implementation:** Funded via CAMPA and MNREGA with community participation.

## 8. **SVAMITVA Scheme:**

- **Full Form:** Survey of Villages Abadi and Mapping with Improvised Technology in Village Areas
- **Launched by:** Ministry of Panchayati Raj, in collaboration with Survey of India
- **Type:** Central Sector Scheme
- **Launch Date:** April 24, 2020 (pilot in 9 states)
- **Duration:** 2021–2025
- **Objective:** To provide rural residents with property ownership rights through property cards (Record of Rights).
- **Key Features:**
  1. **Drone Technology:** Mapping of 6.62 lakh villages for accurate land demarcation.
  2. **Digital Records:** Creation of a geospatial platform, Gram Manchitra, for land details.
  3. **Legal Ownership:** Property cards to enable financial empowerment and dispute resolution.

### Coverage:

- Initial pilot in 9 states, including Rajasthan, Haryana, and Uttar Pradesh.
- Full implementation across India by 2025.

### Benefits:

- Legal ownership of land for rural residents.
- Reduced disputes and modernized land management.
- Enables financial benefits through property-based loans.

## 9. **National Infrastructure Pipeline (NIP):**

- **Announcement:** August 2019
- **Timeframe:** 2020–2025
- **Scope:**
  - ✓ 9,666 projects, including brownfield and Greenfield initiatives costing over ₹100 crore.
  - ✓ Total cost: ₹111 Lakh Crore (₹108 Lakh Crore implemented so far).
- **Funding Breakdown:**
  - ✓ Centre: 39%
  - ✓ States: 40%
  - ✓ Private Sector: 21%
- **Key Sectors:**
  1. Transport: 58% (Roads, Railways, Ports, Airports)
  2. Energy: 24% (Power Generation, Renewable Energy)
- **Objective:**
  - ✓ Propel India to a \$5 trillion economy.
  - ✓ Boost employment and capital expenditure.
  - ✓ Modernize infrastructure to meet demographic needs.
- **Task Force:** Formulated on the recommendations of the Atanu Chakraborty Task Force.

## 10. **National Monetization Pipeline (NMP):**

- **Launch:** 23 August 2021 by NITI Aayog.
- **Objective:** Monetize ₹6 lakh crore worth of assets (2022–2025) to fund infrastructure, attract private investment, and create jobs.

- **Scope:** Ownership remains with the government; operational rights leased to private entities.
- **Key Sectors (% of Target):**
  1. Roads (27%)
  2. Railways (25%)
  3. Telecom (6%)
  4. Oil & Gas Pipelines (8%)
  5. Electricity (15%)
- **Examples:** Highways, airports, railways, pipelines, and sports stadiums.
- **Target:** Funds 5% of the ₹111 lakh crore **National Infrastructure Pipeline (NIP)**.
- **Benefits:** Boosts infrastructure funding, private participation, and employment.
- **Challenges:** Asset valuation, stakeholder concerns, and execution risks.

### 11. **Rashtriya Gram Swaraj Abhiyan (RGSA):**

**Launch:** 2018

**Ministry:** Ministry of Panchayati Raj

**Objective:** Strengthen Panchayati Raj Institutions (PRIs) to achieve SDGs.

**Phases:**

- ✓ Phase I: 2018–2022
- ✓ Phase II: 2023–2026

**Features:**

- ✓ Capacity building, financial support, and e-Governance (e-GramSwaraj).
- ✓ Focus on 117 Aspirational Districts and inclusive development.
- ✓ Infrastructure upgrades and sustainable planning.

**Funding:**

- ✓ 60:40 (General States), 90:10 (NE/Himalayan), 100% (UTs).

### 12. **Mission Karmayogi:**

**Launch:** 2nd September 2020

**Objective:** To enhance the capacity of civil servants (Centre, States, UTs) to be more creative, proactive, professional, energetic, transparent, and technology-enabled.

**Key Features:**

- iGOT Karmayogi Platform: Digital learning platform for continuous role-based training.
- World Bank Support: Financial and technical assistance.
- Capacity Building Commission (CBC): Standardizes and monitors training.
- Special Purpose Vehicle: Karmayogi Bharat to oversee implementation.
- Focus: Behavioral skills, leadership, and citizen-centric governance.

### 13. **Vibrant Village Program (VVP):**

- **Launched:** Union Budget 2022-23

- **Objective:** Development of northern border villages to enhance security, reverse out-migration, and boost local economies.

- **Budget:** ₹4,800 crore (2023-2026)

**Focus Areas:**

1. **Infrastructure:** Roads, housing, electricity, telecom.

2. **Social Amenities:** Education, healthcare, drinking water.
3. **Economic Growth:** Tourism, skill development, cultural promotion.

**Coverage:**

- **States:** Arunachal Pradesh, Sikkim, Uttarakhand, Himachal Pradesh, Ladakh.
- **Villages:** 19 districts, 46 border blocks.
- **Key Village:** Kibithu (Arunachal Pradesh) – strategically important on the India-China border.

#### 14. **ADITI Scheme (2023-26):**

Acing Development of Innovative Technologies with iDEX

**Purpose:**

- Drive indigenous defense innovation under "Atmanirbhar Bharat."
- Focus on advanced tech like deep fake detection and cybersecurity.

**Key Details:**

- **Duration:** 2023-24 to 2025-26
- **Funding:**
  - ✓ Up to ₹25 crores for ADITI Challenge winners.
  - ✓ ₹10 crores under Defence India Startup Challenge (DISC).
- **Eligibility:** Startups, MSMEs, and academic institutions.
- **Focus Areas:** AI, ML, robotics, IoT, quantum tech, and strategic defense tools.

**Support Framework:**

- Mentorship by defense experts and funding via iDEX (Innovations for Defence Excellence).
- Access to testing infrastructure in collaboration with DRDO and armed forces.

#### 15. **PM-DevINE Scheme:**

- **Launch:** 12 October 2022
- **Type:** Central Sector Scheme
- **Ministry:** MDoNER
- **Budget:** ₹6,600 crore (2022-26)

**Objective:** Develop infrastructure in the North East under **PM Gati Shakti**, addressing gaps in health, education, and connectivity.

**Key Features:**

- ✓ 100% central funding.
- ✓ Focus on socio-economic development and regional challenges.

#### 16. **PM E-Bus Scheme:**

- **Launched:** 16 August 2023.
- **Goal:** Deploy 10,000 electric buses in **169 cities** (₹57,613 crore).
- **Allocation:**
  - Cities <5 lakh: 50 buses.
  - Cities 5-20 lakh: 100 buses.
  - Cities 20-40 lakh: 150 buses.
  - **Eligibility:** Cities with  $\geq 3$  lakh population.
- **Features:** Eco-friendly, PPP model, modern amenities, supports **Make in India**.
- **Impact:** Reduced pollution, fuel savings, job creation.

**17. PM - E-DRIVE Scheme:**

A ₹ 10,900 crore initiative to promote electric vehicles (EVs) and reduce emissions.

- **Targets:** 24 lakh two-wheelers, 3.16 lakh three-wheelers, 14,000 buses.
- **Focus Areas:** Subsidies, charging infrastructure, battery R&D, skill development, and green zones.
- **Outcomes:** Cleaner transport, domestic manufacturing boost, and reduced fuel imports.
- **Timeline:** 2025-2030 in phased implementation.

**18. Pradhan Mantri Ujjwala Yojana (PMUY) :**

- **Launch Date:** 1 May 2016 (Ballia, UP)
- **Ministry:** Petroleum and Natural Gas
- **Tagline:** *Clean Fuel, Better Life*
- **Objective:** Provide free LPG connections to 8 crore underprivileged families by 2020.

**Key Features**

- ₹ 1600 financial assistance per connection.
- 12 annual refills with ₹300 subsidy per cylinder.
- **Beneficiaries:** Women from SC/ST, BPL, Antyodaya, tea garden workers, islanders, forest dwellers, and PMAY-G families.

**19. PMUY II (2021, Mahoba, UP)**

- Additional 2.3 crore connections for migrants with self-declaration for address.
- Includes free first refill and stove.
